CUSTOMER PRIVACY NOTICE

This Notice explains how we obtain, use and disclose your personal information at Prime Molecular Technologies Africa (Pty) Ltd and with the requirements of the Protection of Personal Information Act ("POPIA").

At Prime Molecular Technologies Africa (Pty) Ltd, we are committed to protecting your privacy and to ensure that your personal information is collected and used properly, lawfully and transparently.

About the Company

Prime Molecular Technologies Africa (Pty) Ltd is the ICT, media and project management company specializing in Public WIFI infrastructure and Management.

The information we collect

We collect and process your personal information mainly to contact you for the purposes of understanding your requirements, and delivering services at Prime Molecular Technologies Africa (Pty) Ltd. For this purpose, we will collect contact details including your name, contact, age, gender and related details.

We collect information directly from you where you provide us with your personal details. Where possible, we will inform you what information you are required to provide to us and what information is optional.

Website usage information may be collected using "cookies" which allows us to collect standard internet visitor usage information.

How we use your information

We will use your personal information only for the purposes for which it was collected and agreed with you. In addition, where necessary your information may be retained for legal or research purposes.

For example:

- To gather contact information;
- To confirm and verify your identity or to verify that you are an authorised user for security purposes;
- For the detection and prevention of fraud, crime, money laundering or other malpractice;
- To conduct market or customer satisfaction research or for statistical analysis;
- For audit keeping purposes;
- In connection with legal proceedings.

Disclosure of information

We may disclose your personal information to our service providers who are involved in the delivery of products or services to you. We have agreements in place to ensure that they comply with the privacy requirements as required by the Protection of Personal Information Act.

We may also disclose your information:

- Where we have a duty or a right to disclose in terms of law or industry codes.
- Where we believe it is necessary to protect our rights.

Information Security

We are legally obliged to provide adequate protection for the personal information we hold and to stop unauthorized access and use of personal information. We will, on an on-going basis, continue to review our security controls and related processes to ensure that your personal information remains secure.

Our security policies and procedures cover:

- Physical security;
- Computer and network security;
- Access to personal information;
- Secure communications;
- Security in contracting out activities or functions;
- Retention and disposal of information;
- Acceptable usage of personal information;
- Governance and regulatory issues;
- Monitoring access and usage of private information;
- Investigating and reacting to security incidents.

When we contract with third parties, we impose appropriate security, privacy and confidentiality obligations on them to ensure that personal information that we remain responsible for, is kept secure.

We will ensure that anyone to whom we pass your personal information agrees to treat your information with the same level of protection as we are obliged to.

Your Rights: Access to information

You have the right to request a copy of the personal information we hold about you. To do this, simply contact us at the numbers/addresses as provided on our website and specify what information you require. We will need a copy of your ID document to confirm your identity before providing details of your personal information.

Please note that any such access request may be subject to a payment of a legally allowable fee.

Protection of your information

You have the right to ask us to update or delete your personal information. We will require a copy of your ID document to confirm your identity before making changes to personal information we may hold about you. We would appreciate it if you would keep your personal information accurate.

Definition of personal information
